Race day /	°C	Taste abnormalities/Olfactory abnormality/Sore throat/Cough/Sputum/Runny nose/Headache/Dullness/Respiratory distress

This check sheet aims to confirm the health status of participants in order to prevent the spread of the new coronavirus infection at large meetings. The personal information entered in this check sheet will be stored under strict control and will be used only for grasping the health condition, deciding whether or not to visit the venue, and making necessary contact. In addition, we will not provide it to a third party without the consent of the person except when permitted by laws and regulations such as the Personal Information Protection Law. However, if an infectious disease patient or a suspected infectious disease patient is found at the meeting place, it may be provided to a health center, etc. to the extent necessary.

I agree with the above.
